GENERAL PROVISIONS

1. ROLES AND OBLIGATIONS OF CYCLING SOUTH AFRICA, THE COMMISSIONS AND AFFILIATES

- 1.1. The role and obligations of Cycling SA is to govern the cycling disciplines and events inclusive of racing and recreational elements.
- 1.2. These regulations, in association with the other regulations, shall apply to and bind any individual who participates, organizes, or officiates in any type of Road Cycling Events and competitions in South Africa.
- 1.3. The aim of the Cycling SA Road Commission is to promote and manage a safe environment for road cycling in South Africa and all road cycling events held under the auspices of Cycling SA. These events may be timed or non-timed, seeded, or unseeded, include specific age category starting bunches; seeded starting bunches and offers any form of reward (time, prizes etc.).
- 1.4. Due to the nature of the sport of cycling, events in South Africa, racing and mass participation competitions are often combined. Cycling SA therefore needs to take into consideration the requirements of national racing and riding development.
- 1.5. Except if explicitly made provision for in this handbook, the rules and regulations of the UCI as made provision for as PART 2 ROAD RACES (hereafter referred to as UCI PART 2), shall take precedence.
- 1.6. As UCI PART 2 focus and defines regulations for the junior, under 23 and elite categories for men and women, this handbook shall make provision for youth categories as well as clearly define the regulations for Master riders.
 - 1.6.1. Cycling SA shall recognize the UCI PART 15 CYCLING FOR ALL Regulations incorporating UCI Gran Fondo World Series and World Championships for the Veteran and Master racing categories. Due to the nature of development of the sport in South Africa and in particular the Veterans and master's racing distances, Chapter 15.5 will take precedence for the governance of all master events, categories, and distance in South Africa with some exceptions indicated in this handbook.
- 1.7. Cycling SA Road Commission works closely with several other commissions to successfully develop and govern the sport, these include:
 - 1.7.1. The Youth, Transformation and Development Commission
 - 1.7.2. The Women's Commission
 - 1.7.3. The Technical Commission
 - 1.7.4. The Coaching Commission
- 1.8. Within this framework, it is the responsibility of the Technical and Commissaires' Commission and the administrative organization of Cycling SA to assist and regulate road cycling events.

- 1.9. To organize its tasks effectively, Cycling SA makes use of provincial affiliates and external service providers where required. This work piece makes an important contribution in an area that is of vital importance in our sport, which is practiced in an open space, on the road, where dangers are not always easy to control.
- 1.10. The provincial cycling body affiliated to Cycling SA governs all levels of cycling in its area of jurisdiction, except events listed on the UCI calendar which requires direct affiliation with Cycling SA as well.

2. BASIC REQUIREMENTS

- 2.1. Any event registering as part of any UCI category shall apply to the UCI through Cycling SA.
- 2.2. Prior to hosting an international cycling event in South Africa, permission must be obtained from the National Department of Sport, Art and Culture (DSAC) and the South African Sports Confederation and Olympic Committee (SASCOC).
- 2.3. All cycling events are required to be sanctioned through Cycling SA, the official Cycling federation for Cycling in the country. Excluded from this are social events such as club rides, social rides (can also be a charge to cover cost but cannot have podiums or prizes), Strava timed events (not group rides), virtual events/race, social outrides, and training rides.
- 2.4. The Cycling SA Road Cycling Calendar shall start on 1 January annually and conclude on 31 December.
- 2.5. The dates of all events shall be approved by the respective provincial affiliates and Cycling SA's Sports and Technical Manager. The calendar shall be released during October annually.

3. CLUB AND TEAM REGISTRATIONS 2026

- 3.1. UCI Continental Teams will be administered through Cycling SA in 2026
- 3.2. Domestic Team registration shall be administered through Cycling SA in 2026.
- 3.3. Club Team registrations shall be administered through each respective provincial affiliate.
- 3.4. Refer to section 35 for the registration process.

4. REPRESENTING TEAM SOUTH AFRICA

- 4.1. From time-to-time riders will be selected to represent South Africa at international events, either as a member of a federation team or as a national team. Clubs and teams will be required to release the riders for those events.
- 4.2. Should a rider, or rider(s), be selected, teams will be permitted to substitute riders into their domestic, club team or invite guest rider(s) for the duration that the rider(s) are absent, with written consent from that rider's team / provincial or club team;
- 4.3. If a rider refuses to ride for the national team without a valid reason, he will be un-selectable for 12 months.

5. BICYCLES AND WHEELS

- 5.1. Unless expressly authorized by the format of the competition, Events held under these Regulations are restricted to ROAD and TIME TRIAL bicycles and equipment that are compliant with the technical specifications in UCI Regulations PART 1.
- 5.2. The use of TIME TRIAL bicycles and/or equipment is not allowed in road races and also not for age categories u15 and younger in time trials.
- 5.3. The use of MOUNTAIN bicycles, BMX and PARACYCLING cycles are allowed in road races. The specific characteristics of such cycles are set out in the UCI PART regulating the discipline in question.
- 5.4. All wheels must conform to the UCI's "List of Approved Wheels".
- 5.5. In particular, handlebar ends shall be plugged, not merely covered by tape, and other projections shall be protected as far as possible.
- 5.6. Youth riders' wheel depth may not be greater than 50mm.
- 5.7. The maximum wheel rim depth for mass-start road races under UCI rules starting January 1, 2026, is **65 mm**. This rule is part of the UCI's effort to enhance rider safety by mitigating crosswind effects and to reduce overall speeds in racing.

6. GEARS

- 6.1. Gear checks have been removed for all age groups.

7. CLOTHING

- 7.1. Riders must be clothed from the neck to at least mid-thigh. Jerseys must be sleeved beyond the shoulder according to the regulation in UCI Part 1.
- 7.2. Full Licensed riders and competitive members from Junior and older must wear the registered design and colors of the School, Academy, Club, Team, Region, Province or Home Country they are representing unless required to wear the clothing prescribed by the Event, they are participating in.
- 7.3. Riders not representing a School, Academy, Club, Team, Region, Province or Home Country must wear predominantly plain clothing free of any lettering save for the mark of the manufacturer.
- 7.4. Day License holders are permitted to wear any suitable clothing whilst competing.
- 7.5. Advertising, including the national champion's jersey, shall be subject to the UCI regulations.

8. OTHER EQUIPMENT

- 8.1. The helmet must be a standard helmet without a visor.
- 8.2. All accessories must be securely fastened and any equipment that is not essential for racing purposes must be removed.
- 8.3. The use of non-shatterproof vessels, including glass, of any kind is prohibited.

ELIGIBILITY FOR PARTICIPATION

9. REQUIREMENTS FOR MEMBERSHIP AND / OR LICENSING

- 9.1. Cycling SA Membership and Licensing Policy shall apply and is adopted annually at the AGM.
- 9.2. All cyclists participating in road cycling events sanctioned by Cycling SA are required to hold a membership and / or license issued by Cycling SA or recognized by the UCI. Licenses may consist of one of the following:
 - 9.3. International License recognized by the UCI.
 - 9.4. Full Racing License, inclusive of membership issued by CyclingSA. Racing License holders are eligible to participate in national competitions such as National Championships and National Series events and be eligible for Provincial and National selection.
 - 9.5. Cycling SA Adult Membership.
 - 9.6. Cycling SA Youth Membership issued to U17 riders and younger.
 - 9.7. A Day Membership which is issued to a cyclist not holding at least a valid and current membership or who is unable to produce a valid and current license upon being requested to do so.
 - 9.7.1 All sanctioned events of Cycling SA shall be obligated to check the membership status of entrants, and if not a member of Cycling SA and its affiliates, make provision for entrants to obtain a day membership.
 - 9.7.2 A day membership is issued to a cyclist who practices cycling as a recreational activity and is valid for a 24-hour period between 00:00 – 23.59 per day and shall not be required to be a member of a constituted club or academy.
 - 9.7.3 The holder of a day membership shall not be eligible to race in any championship event as there is a requirement for all members participating in such events to be a member of a constituted club.
 - 9.7.4 The holder of a day membership shall not be eligible for prize money or be permitted to race in specified age categories in A, B or C category events sanctioned by Cycling South Africa.
 - 9.7.5 A Day Membership shall be issued in accordance with the regulations of the UCI and as per the Cycling SA membership and licensing policy.
- 9.8. No cyclist holding a Cycling SA license may participate in any non-sanctioned cycling event (see section 2.3 for exclusions).

10. REGULATING ENTRY

- 10.1. The President Commissaire will be responsible to make sure a National Commissaire is present at the registration of cyclists participating in road cycling events to check all competitive racing group licenses and seeding.
- 10.2. The Organizer shall make available a start list of each of the Age categories to the Commissaires panel and the racing clubs and teams.
- 10.3. The Organizer shall make available to the Province and Cycling SA a full participation list of the entire event.

CATEGORY REGULATIONS

11. AGE CATEGORIES OF RIDERS

- 11.1. For road cycling events in South Africa, the following youth and elite categories shall be as follows:

Under 11:	A cyclist who turns 10 years of age or younger on or before 31 December of the registration year.
Under 13:	A cyclist who turns 11 or 12 years of age or younger on or before 31 December of the registration year.
Under 15:	A cyclist who turns 13 or 14 years of age or younger on or before 31 December of the registration year.
Under 17:	A cyclist who turns 15 or 16 years of age or younger on or before 31 December of the registration year.
Junior:	A cyclist who turns 17 or 18 years of age or younger on or before 31 December of the registration year. Also referred to as the Under 19 age category.
Under 23:	A cyclist who turns 19, 20, 21 or 22 years of age on or before 31 December in a registration year.
Elite:	A cyclist who turns 23 years of age on or before 31 December in the registration year.

- 11.2. The age categories for veteran cyclists are determined by Cycling SA in five (5) year categories.
- 11.3. A veteran cyclist becomes eligible to compete in an age category in the year in which he or she has a birthday in the youngest age group in each age category.
- 11.4. These categories are 30 - 34 | 35 - 39 | 40 – 44 | 45 – 49 | 50 – 54 | 55 - 59 | 60 - 64 65 - 69 | 70-74 | 75-79 and 80+ category.
- 11.5. Cycling SA may from time to time decide to amend some of these categories into ten (10) year age categories, or request and / or approve revised racing categories depending on the number of entrants at an event, inclusive of Provincial and National Championships.
- 11.6. For the avoidance of doubt and by way of example, a cyclist who turns 30, 31, 32, 33, 34, etc. up to and including the year in which he or she turns 39 years of age in a registration year shall be eligible to apply for a Full Racing License in the Veterans 30+ age category.
- 11.7. A veteran cyclist may apply for a Full Racing License in a younger age category (including the Elite category) **for 2026**, in which event that cyclist shall not be permitted to change to another age category during the registration year. **Example, if you are a 30-34 rider and you opt to take out an elite license for 2026 you will then not be able to change your license to vet 30-34 for the year 2026 and vice versa, this applies to all veteran and master riders. Elite and U23 Riders may not change to a younger age category.**
- 11.8. **You will ride that age category that is on your license for all events including Provincial Championships, SA Championships and all Cycling SA Events.**
