

	<b>ANNEXURE C</b>  <b>EAST CAPE CYCLING CYCLISTS FUNDING</b>	<b>2018/11/17</b>
		<b>Final</b>

## 1. PURPOSE

1.1. The purpose of this document is to explain and set out the ground rules for funding of individuals who are competing in cycling events outside the province of the Eastern Cape.

## 2. MINIMUM CRITERIA FOR EVENT PARTICIPATION

2.1. The event must be a CSA sanctioned event or UCI sanctioned event

2.2. The individual must be licenced through a club which is affiliated to East Cape Cycling.

2.3. The individual must have participated in the 12 months preceding the application in at least 40% of the provincial or district organised events on the ECC calendar in the discipline for which funding is required, thereby showing commitment to the district and province by participating in these local cycling events in the area.

2.4. Any individual requesting funding must undergo the expense and claim back after returning from the event. This ensures commitment from the individual to participate irrespective of receiving or not receiving funding rather than participating because funding is available.

2.5. Only in the event when a team is requesting funding, as in the case of a Provincial Event or Youth Festival, will the funds be paid in advance. If any funding has been paid and the event gets cancelled or riders withdraw, and no expense has been incurred by the team / riders, the full amount must be paid back to East Cape Cycling. In the case that expenses has been incurred the outstanding amounts must be refunded to East Cape Cycling.

## 3. APPLICATION FOR FUNDING

3.1. Application for funding must be made in writing to the East Cape Cycling Executive, who will evaluate the application and make a decision based on the application and funds availability in the province's bank account.
